1.1 GENERAL DESCRIPTION OF SERVICES TO BE PERFORMED

The service to be performed under this contract includes hauling of materials from the Upper Deerfield Township Convenience Center, 1224 Route 77, Seabrook, New Jersey. The material to be hauled is in containers owned by the Township including 20 CY, 30CY and 40CY open containers and 40CY compactor containers.

The Township is requesting that the bulky waste containers be hauled on days that the convenience center is not in operation. The contractor will also be able to remove full household and recyclable containers and take them to the appropriate waste disposal or recycling center during those days. The facility is currently closed on Mondays, Wednesdays and Thursdays. If a contractor needs to remove a 40 yard closed compactor container from the compactor during hours of operation, the Contractor shall remove the full container and place it in the yard and replace it with an empty 40 yard closed compactor container. If it is practical the contractor will haul the full closed container to the County Landfill. The Contractor shall empty and return any of the containers within twenty-four hours or one business day after directed to do so by the Township's duly authorized representative(s). The work shall also include placing and relocating the containers as required for the proper operation of the center.

Compactor containers must be hauled to and emptied at the Cumberland County landfill (or other landfills as designated by the NJDEP, NJBPU or other authority). The Contractor must be pre-registered by the landfill operator and follow all rules and regulations governing the use of that facility.

The contract shall be solely for the disposal of the solid waste and recyclable materials from the Township owned convenience center for the hauling of such material to designated facilities. No collection of materials at curbside or otherwise will be necessary.

Open or closed compactor containers containing recycled items may be required to be delivered to the following locations:

The Contractor shall empty and return these recycled containers to the Convenience Center within one (1) business day after directed to do so by the Township. THE CONTRACTOR'S BID PRICE SHALL BE FOR HAULING, HANDLING AND EMPTYING THE CONTAINERS AND SHALL NOT INCLUDE ANY TIPPING FEES OR OTHER CHARGES LEVIED AT THE DISPOSAL FACILITY. TIPPING FEES ARE ESTABLISHED BY THE CUMBERLAND COUNTY IMPROVEMENT AUTHORITY (CCIA). THE SUCCESSFUL CONTRACTOR WILL BE RESPONSIBLE TO PAY THE TIPPING FEES FOR EACH LOAD HAULED AND SUBMIT THE CCIA DISPOSAL INVOICE'S MONTHLY FOR REIMBURSEMENT. ALL MONETARY RECEIPTS FOR THE RECYCLABLE MATERIALS SHALL BE MADE PAYABLE TO THE TOWNSHIP OF UPPER DEERFIELD AND REMITTED TO THE TOWNSHIP BY THE CONTRACTOR MONTHLY OR ADEQUATE ARRANGEMENTS WILL BE MADE BY THE CONTRACTOR FOR THE RECYCLING CENTERS TO REMIT TO THE TOWNSHIP DIRECTLY.

However, the Township reserves the right to terminate the contract at any time after sixty days following the execution of the contract without cause.

The Contractor shall be responsible for any documentation and licensing as may be required in connection with the hauling and/or disposal of solid waste as stipulated by the Township, NJDEP or other appropriate authority.

In 2013, there were 442 compacted forty yard container loads taken to the Cumberland County Landfill, 26 recyclable thirty yard container loads taken to Giordano's, 33 twenty yard container loads of grass/leaves taken to Deerfield Organics and 66 loads of brush that were loaded and hauled into thirty or forty yard containers that were taken to either Deerfield Organics or SJAP

1.2 BIDDERS TO INVESTIGATE

Bidders must satisfy themselves by personal examination of the location of the work as to the conditions and requirements of the service required.

1.3 BIDDERS QUALIFICATIONS

It is the purpose of the Township not to award the Contract to any Bidder who does not furnish satisfactory evidence that they have the ability and experience and sufficient capital and plant to enable the fulfillment of the Contract as required.

1.4 BID SECURITY

Each bid must be accompanied by a bid deposit in the form of a certified check by a national bank or trust company and payable to the order of the Township of Upper Deerfield, New Jersey or by a bid bond duly executed by the bidder as Principal and having as Surety thereon a company qualified to act as Surety in the State of New Jersey.* The bid deposit shall be in the amount of 10 percent of the amount bid not to exceed \$20,000, regardless of whether it is in the form of a certified check, cashiers check or a bid bond. The deposit shall be enclosed in a sealed envelope containing the Proposal.

Each bid deposit may be held by the Township as security for the fulfillment of the bidder's promises, set forth in their Proposal that they will not withdraw their Proposal while it is being considered and will execute the Contract Agreement and furnish the required Bonds and insurance certificates if their Proposal is accepted. Should the bidder fail to fully fill such promises, their bid deposit shall become the property of, or be payable to the Township as payment for damages in accordance with the provisions of the Proposal.

Unless it shall become the property of, or be payable to the Township, said deposit shall be returned to the bidder as hereinafter provided.

Deposits in the form of checks will be returned to all except the three lowest bidders within ten (10) days, Sundays and legal holidays excluded, after the Township and the accepted bidder have executed the Contract Agreement. In the event that the Contract Agreement has not been executed by both the accepted bidder and the Township within sixty (60) consecutive calendar days after the opening of the bids, the check deposit will be returned promptly upon demand of any bidder who has not been notified of the acceptance of their bid.

Check deposits accompanying bids which are rejected will be returned within ten (10) days, Sundays and legal holidays excluded, after the rejection of the bid.

None of the three (3) lowest bids shall be deemed rejected, notwithstanding acceptance of one of the Proposals, until the Contract Agreement has been executed by both the Township and the accepted bidder and "ON SITE LABOR" has begun.

*Attorneys-in-fact who sign BID BONDS must file with each BOND a certified and effective dated copy of their power of attorney.

1.5 PROPOSAL FORMS

All bids must be upon the blank form for Proposal annexed hereto, state the proposed price for the work, both in words and in figures, and be signed by the bidder with their title and business name and address.

Bidders shall not remove and submit the Proposal pages separate from the volume of contract documents, but shall submit their Proposals bound with the complete volume of documents, including all pages correctly assembled.

1.6 ITEMS AND COMPARISON OF BIDS

Since the Proposal is comprised of a single item of work without an estimated quantity, the Bids will be compared only on the unit price bid. The Contract will be awarded based on the lowest unit price bid, providing the Bidder is qualified to perform the required service. The Contract may be separated into two contracts; one for the hauling of the containers to the landfill and recyclable centers and the other for the loading and hauling of brush materials to an approved disposal facility.

1.7 RIGHT TO REJECT BIDS

The Township reserves the right to waive any informality in the bids or to reject any or all bids if it is in the public interest to do so.

1.8 PERFORMANCE AND PAYMENT BOND

The Contractor shall provide to the Township of Upper Deerfield a Performance and Payment Bond in the amount of Twenty Thousand Dollars (\$20,000.00) as guarantee for faithful performance of the Contract and payment of all costs incurred by the Contractor in performing the work.

1.9 METHOD OF PAYMENT

The Contractor shall submit a billing to the Township on a monthly basis showing the number of cubic yards of materials actually removed from the convenience center to each of the designated locations at the unit price bid of this service. Payments to the Contractor will be made on a monthly basis after review and concurrence with the Contractor's billing.

1.10 EXECUTION OF CONTRACT

The party to whom the contract is awarded will be required to execute the Agreement and obtain the PERFORMANCE BOND within seven calendar days from the date when NOTICE OF AWARD is delivered to the

BIDDER. The NOTICE OF AWARD shall be accompanied by the necessary Agreement and BOND Forms. In case of failure of the BIDDER to execute the Agreement, the Township may at his option consider the BIDDER, in default, in which case the BID BOND accompanying the proposal shall become the property of the Township. The Township reserves the right, at its sole discretion, to terminate the contract on 60 days prior written notice,

The Township within seven days of receipt of an acceptable Performance BOND and Agreement signed by the party to whom the Agreement was awarded shall sign the Agreement and return to such party an executed duplicate of the Agreement.

The NOTICE TO PROCEED shall be issued within seven days of the execution of the Agreement by the Township. Should there be reasons why the NOTICE TO PROCEED cannot be issued within such period, the time may be extended by mutual agreement between the Township and CONTRACTOR. The entering of a written contract with the Township shall be deemed the equivalent of a NOTICE TO PROCEED for the requested services.

1.11 CONTRACTOR'S INSURANCE

A. D. PROOF OF INSURANCE COVERAGE: The Contractor shall furnish the Township with satisfactory proof of the insurance required prior to the commencement of work. Certificates in addition to showing of insurance shall also provide that the Township shall be given ten days advance notice in the event of cancellation of the coverages shown or of any reduction of the limits below the specified limits given herein.

Of _____ TITLE _____

Public Works Contractor Registration Act

The Public Works Contractor Registration Act (PWCRA), NJSA 34:11-56.49 et seq. as amended in June 2003 requires that all named contractors in the proposal attempting to perform work on public works contracts must be registered with the Department of Labor's Division of Wage & Hour Compliance at the time proposals are **received** by the public entity. Although the law allows contractors to submit certificates after the proposal is received and prior to awarding the contract, it is the preference of the Municipality to obtain the registration with the submission of the bid. Further, the contractor or vendor most likely to receive the contract award must submit to the public entity copies of certifications of all listed subcontractors. Any non listed subcontractor does not have to be registered until they physically start the public work assigned to them. It is the responsibility of the contractor to assure that all non listed contractors have their certificates prior to physically starting work. The contracting unit is not responsible for determining if the non listed contractors at any tier on the public works project are registered under the law. The Department of Labor is responsible for enforcing this aspect of the law. However, the contracting unit could require the successful vendor, as a condition of the contract, to provide the contracting unit with certificates of all non-listed contractors prior to them physically starting work.
